CURE CATARRH BY BREATHING.

Clarke & Co. Offer to Return Money if Hyomei Treatment Fails to Cure Catarrh Without Stomach Dosing

If for a few minutes four times a day you breathe Hyomei, all catarrhal germs will be destroyed and the irritated mucous membrane restored to health.

With every Hyomei outfit there is a neat inhaler which can be carried in the purse or pocket. Hyomei breathed through this contains the same healing balsams that are found in the air upon the mountains, where catarrh is unknown.

It destroys all catarrhal germs in the air passages of the head, throat and nose, and makes a positive and permanent cure of catarrh.

The complete outfit costs but \$1, while extra bottles of Hyomei can be obtained for 50c, making it one of the most economical treatments for catarrh.

Clarke & Co. believe so thoroughly in the merit of Hyomei, that they guarantee to return the money if it fails. This is certainly the strongest evidence they can give of their faith in the Hyomei treatment. It enables anyone to use Hyomei without risk or spending money for nothing.

Ask Clarke & Co. to show you a Hyomei outfit and explain to you what a simple and easy way it is to relieve and cure your catarrhal troubles.

COALS.—We handle the best of Jellico, Kentucky and Blue Gem coals.
